The Second Annual Church Family Thanksgiving Feast is for those who LOVE a big meal but may not have anyone to cook for. We thank Aspirant Debbie Welch for sharing her students of liturgical dance with us during our patronal festival. Liturgical dance is a Christian expression of prayer and worship through body movement. Although a relatively recent practice in the West, its antecedents go back to accounts of dancing in the Old Testament. An example is when King David danced before the Ark of the Covenant. Most often liturgical dance is performed by women.
